Easterchicks Gone Bad was the first of 31 articles written by Sheri Dixon for from 2004-2009, all of them included in this volume. The intent of each story is to be informative and perhaps even educational, but mainly to be entertaining. On milking a goat- In the movies and the pictures in homesteading books, the Goatherder strolls into the milkhouse early in the morning; birds singing, sun just peeking over the horizon. This is an accurate portrayal, with the exception of the birds, sun, bells, glow, peace, and smiling well-behaved goat. The little mice really exist, or at least you will be positive that you see them as you careen out of the barn, covered in sweat and mosquito...
