## ARLINGTON NATIONAL CEMETERY: ACTIONS NEEDED TO ENSURE LASTING, POSITIVE CHANGES IN CONTRACTING AND MANAGEMENT GAO-12-436T

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. GAO identified 56 contracts and task orders that were active during fiscal year 2010 and the first three quarters of fiscal year 2011 under which contracting offices obligated roughly 35.2 million on Arlingtons behalf. These contracts supported cemetery operations, construction and facility maintenance, and new efforts to enhance information-technology systems for the automation of burial operations. The Army has taken a number of steps since June 2010 at different levels to provide for more effective management and oversight of contracts, establishing new support relationships, formalizing policies and procedures, and increasing the use of dedicated contracting staff to manage and improve its acquisition processes. However, GAO found that ANCP does not maintain complete data on its contracts, responsibilities for contracting support are not yet fully defined, and dedicated contract staffing arrangements still need to be determined. The success of Arlingtons acquisition outcomes will depend on continued management focus from ANCP and its contracting partners to ensure sustained attention to contract management and institutionalize progress made to date. GAO made three recommendations to continue improvements in contract management. The Department of Defense (DOD) partially concurred and noted actions in progress to address these areas. This item ships from La Vergne, TN. Paperback.
