About Crossword Art: First and foremost, Crossword Art is a collection of 100 challenging and nontraditional crosswords requiring aspiring solvers to think outside the box. Combining humor and trivia with some serious mental calisthenics, Crossword Art takes crosswords in a decidedly different direction. Well, several different directions. Each American-style puzzle has been carefully designed around one or more themes that generally dominate the action. Beyond the crosswords themselves are rewards at the bottom of each page - Challenges and Word Games that often extend the theme. By the time you finish some puzzles and their related games, your finished crossword might just look like a Picasso. There are also some unique features designed to minimize frustration without spoiling the fun. No one enjoys finishing 99 only to be stuck where an old French currency crosses a 19th century opera singer. Crossword Art has an innovative Anagrams page where three of each pages toughest entries can be found. Theme(s) are found in a similar section, both in non-spoiler and spoiler fashion. You can choose to use these features to adjust difficulty or to verify youre on the right track. Some of what youll find: Normal crosswords with crazy clues. Crazy crosswords with normal clues. Crazy crosswords with, well,...
