Are you panicking about homeschooling your teen? Do you fear they ll miss the various activities associated with adolescence? Maybe you re afraid you ll close doors for them or they won t be well-prepared for adulthood? Are you afraid you re going to mess things up or make them weird? Breathe! These 75 young people are going to show you exactly what their lives looked like as homeschooled teenagers. And you ll be surprised at how they made friends, got along with family, and explored unique learning environments. They re eager to share the benefits and advantages they experienced through homeschooling. Their lives were (and are!) full, rich, and happy. Bring your doubts-reassurance is on its way! There is finally a big enough generation of grown-up homeschooled kids that it is possible to see patterns and grasp the diversity in their experiences. And who better to tell us about all that than the kids themselves! You ll find these young voices are fascinating and absorbing as they open a window for you to get...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
