Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A light wind blew over the great, primeval wilderness of Kentucky, the dense, green foliage rippling under it like the waves of the sea. In every direction forest and canebrake stretched in countless miles, the trees, infinite in variety, and great in size, showing that Nature had worked here with the hand of a master. Little streams flashing in silver or gold in the sunlight, flowed down to the greater rivers, and on a bush a scarlet tanager fluttered like a flash of flame.
