Truth Fully Heals is a collection of colourful stories of truths and untruths. It is filled with examples, of how I stayed true but also where I went off course, with the lies , I wanted to believe. The stories I share are of pivotal moments in my life. My intention is to leave you captivated by my life, filled with inspiration, hope, determination and the courage to follow your true path, which leads to fulfillment. The stories within Truth Fully Heals, are about embracing; the good, the bad, and the ugly, and being at peace with the life you have created. The stories I share are of pivotal moments in my life. My adolescence was deep rooted with uncertainty, hurt, anger, and loss. In trying to escape the life I created, I find my knight in shining armour which leads me to Australia. The relationship ends leaving me with a pain, I had never experienced, heartbreak. In a quest to heal and answer the question to stay in Australia or move back to the United States, I set out on a quest, an adventure of a life time. Travelling solo, I join an outback boxing troupe and race camels throughout Australia. I share with you; how I met my soulmate, husband, best friend and lover, the dark times that almost broke us and how I was able to transform my health personally. All the steps of the journey of life, ultimately lead you to your final calling, perfectly planned and shaped, by the experiences that you have walked through.
