When Seth O'Connor pulls Gabrielle Sherborne out from under her wrecked car in the middle of an icy river high in the Canadian Rockies just before Christmas, he never thought that someone might actually be gunning for the infamous wild child of the famous Hollywood director, Cameron MacKenzie Sherborne III, and the family that puts up with her antics. Told by his superiors to insert himself into the Sherborne family and protect Gabrielle, Seth learns that the former film star is anything but a brat. She's all woman, incredibly sexy and smart, with a vulnerability that eats right through the armor over his heart. That makes doing his job suddenly very tough for Captain Seth O'Connor, for the unfriendlies are closing in. . . Reviewer Top Pick, The Romance Reviews. Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.
