Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

Brand New Book ***** Print on Demand *****.Excerpt: .with the popular mortification tint, relieved only by one or two thin, wavy threads of natural yellow running across the face from ear to ear, and eyes twinkling out of this darkness, from under shadowing hat-brims, like stars in the dark of the moon. Moving among the stirring crowds, you come to the poi merchants, squatting in the shade on their hams, in true native fashion, and surrounded by purchasers. (The Sandwich Islanders always squat on their hams, and who knows but they may be the old original ham sandwiches? The thought is pregnant with interest.) The poi looks like common flour paste, and is kept in large bowls formed of a species of gourd, and capable of holding from one to three or four gallons. Poi is the chief article of food among the natives, and is prepared from the taro plant. The taro root looks like a thick, or, if you please, a corpulent sweet potato, in shape, but is of a light purple color when boiled. When boiled it answers as a passable substitute for bread. The buck Kanakas bake it under ground, then mash it up well with a heavy lava pestle, mix water with it until it becomes a paste, set it aside and let it ferment, and then it is poi.
