Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Dear Friends, -I am beginning a new book like an old sermon; but, as you know, I have been so accustomed to preach all my life, that whatever I say or write will more or less take the shape of a sermon; and if you had not by this time learned at least to bear with my oddities, you would not have wanted any more of my teaching. And, indeed, I did not think you would want any more. I thought I had bidden you farewell. But I am seated once again at my writing-table, to write for you-with a strange feeling, however, that I am in the heart of some curious, rather awful acoustic contrivance, by means of which the words which I have a habit of whispering over to myself as I write them, are heard aloud by multitudes of people whom I cannot see or hear. I will favour the fancy, that, by a sense of your presence, I may speak the more truly, as man to man.
