By Jt Pearson

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 202 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Ever wonder: Why do Magonites have to chase their guests down before a barbecue Why are cows the most feared creatures in the galaxy Who stole Earth's moon What are dogs actually thinking about Those important questions and others are answered inside this book. The human race is on the verge of eradication and possibly the only man who stands between the deaths of billions of innocent Earthlings and their safety is a skinny young fellow dressed in a red and yellow Pizza Star uniform. After being committed (against his will - unless he wanted one of the governments special surgeons to erase portions of his memory with a little slash here and a chop there) to a government agency, Roger Faraday learned every discipline of fighting known to man, and even a few that weren't. Then he learned that if he employed any of those techniques to solve a dilemma it meant that he had probably failed his mission. He learned the customs of many alien races with whom Earthlings had been secretly doing business for decades....
