Scholastic, 2000. Trade Paperback. Book Condition: New. Maggie McIntosh is crazy about her biology teacher and loves to impress him with her academic excellence. But when the dreaded day of the first dissection arrives, Maggie has to disappoint Mr. O. There's no way she can cut up a worm. Maggie's best friend, Alycia, understands. Alycia is squeamish, too, and shares Maggie's moral outrage. However, she's willing to keep quiet and let her lab partner do the dirty work. Maggie's own lab partner, Matt, completely disagrees. Then, after Maggie walks out on the dissection, he seems to respect her. And classmate Jake, who follows Maggie out the door, appears positively smitten. As she struggles to clarify her position about dissections, Maggie discovers that people and relationships are not always what they seem, and just as there are no perfect fathers (hers left years before), there are no perfect father figures - or even friends.
