Rethinking Relationships

By Steve W. Duck

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Rethinking Relationships, Steve W. Duck, Relationships are far more than emotional attachments or bonds. They are not merely happy, emotionally satisfying elements of our lives but they significantly shape our experiences of the world and contribute to our senses of identity, our outlook on life, and even the way in which we think about things. In "Rethinking Relationships", noted human relationship scholar and professor, Steve Duck, integrates diverse systems of thought and offers a new and distinct way to think about relationships and relating. The book deals with such questions as 'How do people know their world?', 'How much of what we know is individual knowledge and how much comes from groups and our personal relationships to other people?' and 'How does membership of relationships structure our experience, affect our ranges of knowledge, and organize our daily lives?'. The book introduces a variety of communicative situations by means of which individuals establish, reconstitute, and demonstrate their membership of communities and relationships. However, the book also develops the idea that these relational activities serve epistemic functions, which is to say that they construct, constrain, or facilitate means through which a person knows...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
