Brand New Book ***** Print on Demand *****.The title says it all in this edgy seven-story anthology from the keyboard of habu. These are tales of men enjoying sex with other men as well as with women and doing it in twosomes and threesomes. In the house of bisexual stories, the room of man and man and woman enjoys a deeper fetish reputation than most. If that is your kink or even if you only want to explore what that means and the pleasure that it can bring to two men and a woman, this is the anthology for you. In 7:48 P.M. Wednesday, two men are dancing around their own relationship when a cougar comes into the picture. In Anniversary at Big Dick s, a husband treats his wife to what she d enjoyed before marrying him-coupling with a big black bull-and decides to join in that game himself. A cougar is also preying on young men on a Bermuda cruise in Bermuda Run. Camouflage showcases pretense, chicanery, and camouflage all for the sake of art. Newlyweds take no time entering the world of swingers in New Year Gala Indeed. Spat in St. John is another sea cruise story in which a cruise-line gigolo brings a couple back together in shared sex, and an experienced man breaches his would-be lover s fears of completed sex with the help of a woman surrogate in Surrogate Loving.
