

Trumbo

Filesize: 4.86 MB

Reviews

A fresh eBook with an all new standpoint. It is actually writter in simple words and phrases instead of difficult to understand. You wont sense monotony at at any moment of your own time (that's what catalogs are for relating to if you question me).

(Dr. Marcel Collins)

Little, Brown Company, United States, 2015. Paperback. Book Condition: New. Reissue. 203 x 132 mm. Language: English . Brand New Book. ONE OF BUSTLE S BOOKS TO READ BEFORE OSCAR SEASON IS OVER The true story that inspired the major motion picture starring Bryan Cranston and Helen Mirren. Dalton Trumbo was the central figure in the Hollywood Ten, the blacklisted and jailed screenwriters. One of several hundred writers, directors, producers, and actors who were deprived of the opportunity to work in the motion picture industry from 1947 to 1960, he was the first to see his name on the screen again. When that happened, it was Exodus, one of the year s biggest movies.This intriguing biography shows that all his life Trumbo was a radical of the homegrown, independent variety. From his early days in Colorado, where his grandfather was a county sheriff, to Los Angeles, where he organized a bakery strike, to bootlegging, to Hollywood, where he was the highest-paid screenwriter when he was blacklisted (and a man with constant money problems), his life rivaled anything he had written. His credits include Kitty Foyle, The Brave One, Thirty Seconds Over Tokyo, Spartacus, Lonely are the Brave, and Papillon, and he is the author of a power pacifist novel, Johnny Got His Gun.
