## PLANNING ISN T MY PRIORITY: AND MAKING PRIORITIES ISN T IN MY PLANS

National Center for Youth Issues, United States, 2016. Paperback. Book Condition: New. 226 x 201 mm. Language: English . Brand New Book. Cletus and Bocephus are back! While working on their science fair project on mealworms, they learn to appreciate and understand each other s strengths and weaknesses. Creativity needs structure and structure needs creativity. and Cletus and Bocephus BOTH need to know how to plan and prioritize! quot;You learn from mistakes and use what you learn, so you don t make those mistakes again. Every time you play a video game, you plan and prioritize to WIN!quot; Planning and prioritizing are two of the most difficult executive function skills for people to master. Planning effectively is the thinking skill that helps an individual develop strategies to accomplish goals. It allows a person to think about completing a task before it is started. Life is all about making choices. Prioritizing effectively helps a person make the best choices possible. Time is a limited commodity. To get the most out of your time and accomplish all that you need to do, you have to be able to plan and prioritize both on a long and short-term basis. This storybook is the second in the quot;Functioning Executivequot; book series. It highlights the importance of planning and prioritizing. It also spotlights the unique differences and strengths that live in all of us. This book will help teach children to determine the necessary steps, in order, towards fulfilling a goal which is a vital executive function skill. Children who possess effective prioritizing skills can learn to manage not only daily responsibilities, but also how to prepare for future success.
