You Can Count on Cupid: Uncovering Love by the Numbers, from the First Date, to the Seven-Year Itch, to Forever After

By Luisa Dillner

Holt McDougal, United States, 2010. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book. True-love facts about modern dating, marriage, breakups, and makeups, from the Guardian's popular relationships advice columnist's love blind--or does Cupid calculate? Luisa Dillner, a medical doctor and the entertaining Love by Numbers columnist for London's Guardian newspaper, sifts through the latest scientific research to answer the questions of the lovelorn and the love crazy alike. She tackles perennial matters of the heart, such as: Which pickup lines work the best? Do gentlemen prefer blondes? How do I know she's the one? How can I get my boyfriend to stop flirting and start taking out the trash? Are office romances doomed? What's the best way to mend a broken heart? Will any couple ever be able to avoid arguing in the car? For those curious about the chances of tempting someone to leave a spouse (50 percent of those approached take the bait) or if Web romances bloom in the spring (the peak times for online love are actually January, February, and September), Dillner is the perfect--and amusing--guide to the science of living happily ever after.

Reviews

It is one of the best publications. It really is really intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- **Dr. Pat Hegmann**

It is one of my favorite publications. It is among the most awesome publication I have gone through. I am just quickly will get a delight of reading through a published publication.
