Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

BETWEEN TYRANNY AND ANARCHY: A HISTORY OF DEMOCRACY IN LATIN AMERICA, 1800-2006

Stanford University Press. Paperback. Book Condition: new. BRAND NEW, Between Tyranny and Anarchy: A History of Democracy in Latin America, 1800-2006, Paul W. Drake, Between Tyranny and Anarchy provides a unique comprehensive history and interpretation of efforts to establish democracies over two centuries in the major Latin American countries. Drake takes an unusual interdisciplinary approach, combining history and political science with an emphasis on political institutions. He argues that, without a thorough examination of the historical roots and causes of Latin American democracy, most general theories can not adequately explain its failures, successes, and forms. Latin America offers an extraordinary laboratory for the study of democratic experiments. Alongside a well-deserved reputation for authoritarianism, it boasts one of the world's deepest, richest histories of democratic movements, ideas, and institutions. Contrary to conventional wisdom, the region's leading democracies did not lag very far behind the United States and Western Europe in making numerous advances. In comparison with those countries, though, Latin America's democratic history has been distinctive because of its fundamental dilemma: how to reconcile political systems theoretically committed to legal equality with societies divided by extreme socio-economic inequalities.
