

Family Maps of Winston County, Alabama, Deluxe Edition

By Gregory A Boyd J. D.

Arphax Publishing Co. Paperback. Book Condition: New.

Paperback. 292 pages. Dimensions: 11.0in. x 8.5in. x

0.7in. Locating original landowners in maps has never been an

easy task-until now. This volume in the Family Maps series

contains newly created maps of original landowners (patent

maps) in what is now Winston County, Alabama, gleaned from

the indexes of the U. S. Bureau of Land Management. But it

offers much more than that. For each township in the county,

there are two additional maps accompanying the patent map: a

road map and a map showing waterways, railroads, and both

modern and many historical city-centers and cemeteries.

Included are indexes to help you locate what you are looking for,

whether you know a persons name, a last name, a place-name,

or a cemetery. The combination of maps and indexes are

designed to aid researchers of American history or genealogy to

explore frontier neighborhoods, examine family migrations,

locate hard-to-find cemeteries and towns, as well as locate land

based on legal descriptions found in old documents or deeds.

The patent-maps are essentially plat maps but instead of

depicting owners for a particular year, these maps show original

landowners, no matter when the transfer from the federal

government...
