Not illustrated. 1908 Excerpt: .Musical Art will be conducted the present year in connection with the University Summer School at University Heights. The courses afford to all engaged in public or private music instruction an opportunity to study the subject in its application to public education. It appeals directly to the Music Director, the Principal, the Superintendent and the Grade Teacher, The course of study, while primarily arranged to aid those who are professionally active in Public School work, is no less valuable to the private music teacher. The recent admission of music to the list of credit subjects for College Entrance Examination, and its consequent admission as a Credit Course in the High Schools, finds Superintendents and Principals of High Schools prepared to grant Credit Markings for music study pursued with the private teacher. This action practically makes the private music teacher a factor in Public School work, who should become intimately acquainted with the nature of music as a Public School study, with the bibliography of the subject, and with the extent of the work accomplished in the Primary, Grammar, and High School grades. This will permit the teacher to take up private music study with the High School student in a manner consistent with the general demands of the curriculum. Payment of a fee of \$15.00 entitles the student to five one hour courses in this department daily for three weeks. Students of this department, paying the \$15.00 fee, who desire to pursue one or more courses...
