Createspace, United States, 2012. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.Wayward is a gripping, observant and hilarious collection of travel pieces written by Tom Gates, who re-invents himself here as an accomplished writer after fifteen years of working with some of the biggest names in the music business. His travel stories have had millions of views online and are collected within for the first time. The content of Wayward was written during a yearlong trip around the world, during which the author lived in twelve countries over twelve months. Wayward isn't strictly a travelogue or a guide by any means. It's a little scatterbrained, but Gates' lively, conversational writing style brings all the disparate pieces together for an engaging, enjoyable read. With the pop culture savvy of Chuck Klosterman and the cultural attention to detail of Bill Bryson, Gates brings to life the people and places he visits. This isn't an ordinary travel book with quaint descriptive words about must-see places. These short stories are a collection of inspired words about self-discovery...
