Brand New Book ***** Print on Demand *****.Excerpt from Problems of Boy Life Being allowed the privilege of writing a few words of introduction to this book, I desire to commend it to the sympathetic attention of all who care for social betterment and progress. Of late years the public conscience has been stirred, and none too soon, to a sense of the dangers, moral and physical, involved in the overcrowded and squalid life of the working multitudes in our great cities; and thoughtful men are becoming unanimously of opinion that for our national well-being it is imperative that the conditions of this life should be altered without longer delay, and no reforms are more urgent than those that deal with the upbringing of the young.
