PRESCRIPTION DRUGS: SELECTED DIRECT-TO-CONSUMER ADVERTISING STUDIES HAVE METHODOLOGICAL FLAWS: PEMD-91-20

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Pursuant to a congressional request, GAO reviewed five technical studies conducted by a marketing research firm which claim that direct-to-consumer prescription drug advertising is increasing among both physicians and consumers, focusing on whether the methodology sufficiently ensured the accuracy and generalizability of its claim. GAO found that: (1) the physicians surveys in the marketing firms studies could not be generalized, since...

Reviews

I actually started off looking over this publication. It is written in easy terms instead of difficult to understand. You are going to like the way the writer wrote this ebook.

-- **Anabel Nienow II**

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and I recommended this publication to understand.
