

## Europe 2030

Filesize: 6.05 MB

### ***Reviews***

*It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.*

Brookings Institution. Paperback. Book Condition: new. BRAND NEW, Europe 2030, Daniel Benjamin, The European Union is the most successful supranational organization in history. It has reconciled former enemies, established a single market and a common currency, and reintegrated Central and Eastern Europe into the West. Yet the EU remains unsatisfying to its members and its partners. An economic giant but a political pygmy, it seems hamstrung by bureaucracy and a lack of connection to European publics. In Europe 2030 , distinguished authors predict what the European Union will look like twenty years from now. A range of views is presented, foreseeing everything from slower growth and diminished power to actions that would make the EU a more vigorous, influential world player. Contributors include Oksana Antonenko (International Institute for Strategic Studies), Jose Manuel Durao Barroso (European Commission), Jose Cutileiro (former secretary general, Western European Union), Joschka Fischer (former minister of foreign affairs, Germany), Charles Grant (Center for European Reform), Andrew Hilton (Centre for the Study of Financial Innovation), Jonathan Laurence (German Marshall Fund, Boston College and Brookings Institution), Rui Chancelle de Machete (constitutional and administrative attorney), Hubert Vedrine (former minister of foreign affairs, France), and Joseph H.H. Weiler (New York University).
