MATLAB-based communication system simulation

Filesize: 6.36 MB

Reviews

Extensive guide! Its this sort of very good study. It is actually full of knowledge and wisdom I found out this pdf from my i and dad suggested this ebook to understand.
(Melany Bogisich)

MATLAB-BASED COMMUNICATION SYSTEM SIMULATION

To save **MATLAB-based communication system simulation** eBook, please click the button below and download the file or get access to other information that are related to MATLAB-BASED COMMUNICATION SYSTEM SIMULATION book.

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment.Pages Number: 162 Publisher: Beijing Aerospace University Press Pub. Date :2007-09. This book by a large number of MATLAB. Simulink simulation examples. the reader deepen the communication understanding of the principles. The book has six chapters. including the MATLAB language-based. Simulink-based simulation. signal analysis system based on digital transmission of analog signals. digital baseband signal transmission. digital transmission carrier modulation content. The key elements of each part of the MATLAB function or Simulink through the simulation module. Appendix lists all the functions provided in the toolbox communication and communication module library for readers to find all the modules. Book structured. easy to understand. Examples to help readers practice of communication theory and simulation to understand. This book can serve as institutions of higher learning communication engineering. electronics and information technology professional of the student s communication simulation specialist curriculum materials and reference books. Contents: Chapter 1 matlab language overview 1.1.1 matlab 1.1 matlab-based family development and characteristics 1.1.2 matlab 1.1.3 matlab 7.0 interface environment 1.2 matlab basic grammar and basic operation 1.2.1 Variable assignment matrix operations 1.2.3 1.2.2 1.2.4 Program control statements in the basic drawing methods 1.3 matlab Communications Simulation Exercises Chapter 2 Introduction 2.1 simulink simulink simulation-based family 2.1.2 simulink 2.1.1 simulink library 2.1.3 simulink basic module of the general course of 2.2 Modeling and Simulation simulink simulation applications in the communications practice Chapter 3 the basis of signal system analysis 3.1 Overview 3.2 Fourier transform and Fourier transform the nature of the main periodic signal of 3.2.1 3.2.2 Fourier transform and Fourier series the nature of power and energy 3.3 3.4 3.5 Gaussian random variable generation process of 3.6 Random processes and white noise power spectrum...
